Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The cited prior art does not teach or render obvious the invention as recited in independent claims 1, 15 and 18. More specifically, the cited prior art does not teach supplying data units between program objects is accomplished by passing references pointing to memory locations storing data of the data units such that the references are passed between program objects and the data of the data units is not passed directly between program objects, and wherein for at least one application data unit, the referenced memory location storing data of the application data unit is the same memory location as the referenced memory location storing at least some of the data of the corresponding first data unit and as the referenced memory location for storing at least some of the data of the corresponding second data unit,when taken in the context of the claim as a whole.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
